Grade 5 Homework Term 3: Week 4.

For your homework you need to complete one of the tasks below. See if you can complete one task from your Olympics project and one maths task. Don’t forget to practise your spelling words as well. Due on Friday 10/8/12.

**READING**

Read for a minimum of 10 minutes every night. Every time you read record the book, magazine, or article and page numbers in your diary.

This week’s homework is a little different. You are to choose one question, research it and present what you have done to the class on Friday morning. You need to put a reasonable amount of work into this and it is up to you to decide what a reasonable amount of work is. Remember to also practice your spelling words and number facts as well. If there is any questions please just ask me!
